

# ← Exam Topics

Break down your exam into topics. If you want to repeat any topics later add them here too.

## Topic 1

Weight: 20% (Pages 100)

## Topic 2

Weight: 20% (Pages 100)

## Topic 3

Weight: 20% (Pages 100)

## Topic 1 review

Weight: 10% (Pages 100)

## Topic 2 review

Weight: 10% (Pages 100)

## Topic 3 review

Weight: 10% (Pages 100)

## Review all

Weight: 10% (Pages 300)

(Add new)

## Study planning tip:

You can further break down the topics into discrete tasks (e.g. Read chapter, Do questions) in List Lemur.

You can change the ordering of these at any time from Calendar Cat.

## ← Timetable Exceptions

Use this page to enter any dates when you want to dedicate more or less time to this exam than is scheduled in your regular timetable.

Add more dates

### Study planning tip:

Why not schedule more hours for this exam near the exam date?

Or take a break from this one while there are other exams going on?

# ← Hobby Setup

DELETE

Studying is not the only way to be productive!

Enter a hobby or any ongoing project here with a list of activities that you normally do and keep track of them along with your study progress.

Enter hobby name, e.g. Keep Fit

Gym - weights

Gym - cardio

Swimming

Tennis

Yoga

(Add new)

## Hobby planning tip:

You can use List Lemur to add specific to-dos associated with the above activities.

Hobby Horse will keep a log of your hobby activities.

Would you like to use number of pages  
as a measure of progress for this topic?  
If so, enter the total number of pages  
associated with the weight you've just  
entered:
