DONE MORE THAN PLANNED?

What to do with the uncompleted tasks?

- Add to the outstanding list I'll do them **ASAP**
- Reassign them to another day and recalculate schedule

Exam Weight

100%

If you are planning for multiple exams you can specify relative importance of each exam by setting this weight, e.g. resits vs new exam

Breakdown into Topics/Tasks

The list of topics and tasks and their associated weights specifed here are used to generate your schedule for the two phases.

This could be a list of chapters within your core study textbook and the weights could be the number of pages or some other relevant measure.

Phase 1: Study

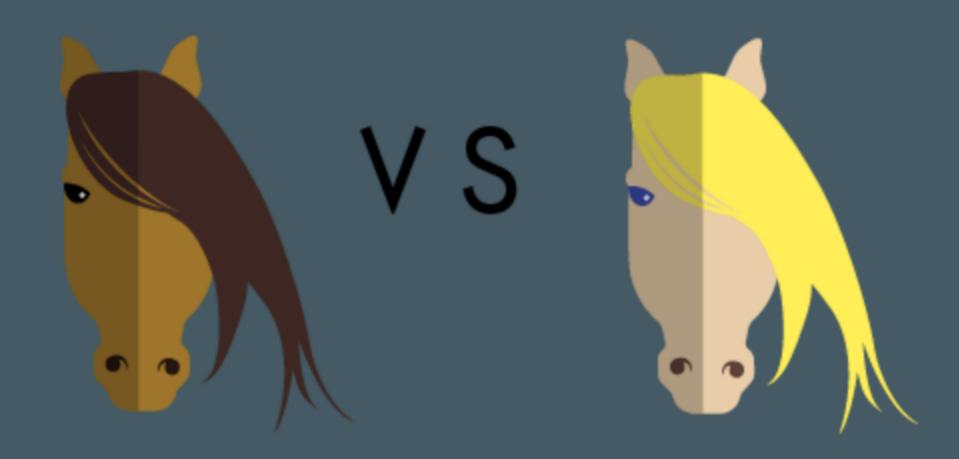

Phase 2: Review

INVITE & SHARE

There's nothing like a bit of PEER PRESURE to get you motivated.

Invite your friends and colleagues to get the app and compete with each other on Social Squirrel.

They've already got the app?

Type in their profile name below and send a buddy request to start sharing on Social Squirrel now.
